THE SUPREME COURT

Adjourned at a late hour on Satur-
... day evening, after a session of six
... weeks, from day to day, without in-
... termission. Many cases were decid-
... ed, but even after so long a session,
... many cases remain undried; the

... Circuit Courts in due time.

Every day affords us additional
... reasons for believing that a correct
... exposition of our laws, and a due dis-
... position of justice equally require,
... that the Supreme Court should be re-
... lieved from the extremely fatiguing
... duties now additionally devolved on
... them in their character of Judges of
... the Circuit Courts.

From the Connecticut Courant.

Causes of war assigned by Dean Swift.

One century ago there was ter-
... minated a long and bloody war in
... which most of the great powers of
... Europe were engaged. It origina-
... ted in the ambition of Louis the
... fourteenth, who though no wise a
... great man, had formed the plan of
... making himself master of Europe.
... For a considerable number of the
... first years of the dire struggle the
... realization of his projects seemed
... probable. He laid waste the coun-
... try around him, and proceeded from
... one conquest to another with such
... rapidity, that Europe as it were
... quaked at his name. Against him
... there was formed a powerful alli-
... ance, of which England was the head
... and her famous John Churchill,
... Duke of Marlborough, was created
... chief, or generalissimo of the allied
... forces. The tide of success turned,
... Louis was dispossessed of all the
... fruits of his victories, and driven to
... such straits that he was fain to sue
... for peace as a suppliant. Peace was
... made. But although that war had
... cost the British innumerable lives,
... and so many millions of money;
... half or more than half of the people
... of England were mad enough to
... wish its continuance. The glory of
... success and victory had intoxicated
... them. Marlborough the greatest of
... Generals, but the most sordidly a-
... vorous almost of all men, was their
... idol. He his officers the retainers
... of the army, and various description
... of other men who had profited by the
... war, denounced the peace with the
... bitterest curses. The besotted peo-
... ple joined them; and the peace mak-
... ing ministry narrowly escape
... with their lives.

In those times of party violence

the masterly pen of Swift was em-
... ployed on the peace side.—and in
... describing the usual causes or mo-
... tives that made one country go to
... war with another, he makes the fol-
... lowing satirical but true remarks:—
... "Sometimes the ambition of prin-
... ces, who never think they have land
... or people enough to govern. Some-
... times the corruption of ministers,
... who engage their master in war, in
... order to stifle or direct the clamor of
... their subjects against their evil ad-
... ministration. Difference of opinion
... has cost many millions of lives. For
... instance, whether flesh be bread or
... bread be flesh; whether the juice
... of a certain berry be blood, or wine,
... whether whistling be a vice or a
... virtue.

"Sometimes the quarrel between
... two powers is to decide which of
... them shall dispossess a third of his
... dominions, where neither of them
... pretends to any right. Sometimes
... one prince quarrels with another,
... for fear the other should quarrel
... with him. Sometimes a war is en-
... tered upon, because the enemy is too
... weak. Sometimes our neighbors
... want the things which we have, or
... have the things which we want; and
... we both fight till they take ours or
... we theirs."

"It is a very justifiable cause of a
... war, to invade a country after the
... people have been wasted by a famine,
... destroyed by pestilence, or embroiled
... by factions among themselves. It is
... justifiable to enter into war against
... our nearest ally, when one of his
... towns lies convenient for us, or a
... territory of land, that would render
... our dominion round and compact." In
... this strain Swift proceeds, with his
... accustomed keenness of irony,
... but at the same time with much truth
... on his side.

MARRIED.—On Sunday evening
... by the Rev. Mr. Norris, Mr. Cadwal-
... ader Davis, of Baltimore, to Mrs.
... Elizabeth Wright, of Danvers.

OBITUARY.

DIED, at his residence in Prince Wil-
... liam county, on Saturday the 15th inst.,
... after a short and severe illness, Mr. John
... D. Bell, aged about 67 years. This
... worthy man possessed in an extraordi-
... nary degree all those requisites which en-
... dorse an individual to his fellow men.—
... Added to the most exemplary integrity
... and sobriety, he was an indulgent mas-
... ter of a good neighbor and a sincere friend.
... Blessed by nature with remarkably strong
... intellectual faculties, together with his
... prudent conduct and upright deportment
... through a long life of healthful prosperity,
... no man was less liable to the errors of
... judgment; and no man more ready to
... palliate the faults and imperfections of
... others, which his quiet perceptibility easi-
... ly enabled him to discern. Temperate
... almost to an extreme, added to a most
... excellent constitution, he might reason-
... ably have calculated on a prolongation of
... his days, even beyond the advanced age
... at which he died: But his "hour was
... come"—he was called on to pay that debt,
... which we must all sooner or later pay;
... to appear before the awful tribunal of
... Omnipotence;—when, under the consoling
... hope of the reward promised to the
... exertions of a well spent life of rectitude
... and usefulness, he laid his head upon the
... pillow of dissolution, with that com-
... posure and resignation which characterizes
... the real Christian, the virtuous man.

Patent Columbian Oil.

In respect to which the Proprietor ob-
... serves:—

THE great sales of the Columbian
... Oil, since it has been brought
... before the public, prove its intrinsic
... value, and is a pleasing foreboding of what
... we have to expect from its more exten-
... sive circulation.

Many interesting certificates might be
... furnished, testifying to the great value of
... the Columbian Oil, but we have prefer-
... red giving but few, wishing to rest more
... on the merits of the medicine, than on
... the effie's produced by certificates from
... a source however respectable.

The following are among the complaints
... in which the Columbian Oil has been
... found very efficacious, viz: rheumatism,
... consumption, gout, pains in any part
... of the body, but more particularly of the
... back and breast; asthma, phthisis, in-
... fluenza, colds, coughs, whooping coughs,
... diseases of the eye and eye lids, tooth-
... ache, ear ache, and deafness, cholics,
... cramps, external and internal bruises,
... sprains and flesh wounds, old sores, ul-
... cers, fencous, scalds, burns, mumps, cy-
... sentery or flux, crop, quincy, diahry
... or lax, summer complaint of children,
... indigestion, loss of appetite, nervous de-
... bility, piles, mercurial diseases, especi-
... ally in those cases where the system has
... been charged with mercury for some con-
... siderable time, and in those excruciating
... pains subsequent to its too great use and
... exposure. Herpes, or diseases of the
... skin, such as ring worms, tetter, scald
... head, &c. stiffness of joints and limbs,
... palsy, ague and fever, cholera morbus,
... gravel, gleetes, obstructed urine, scurvy,
... and in almost all cases of a general or lo-
... cal nature.

We are aware that in recommending a
... medicine in so many diseases, the public,
... especially those who have not used the
... Oil, may be induced to question its vir-
... tues; but a disposition of this nature will
... soon be dissipated, when they are inform-
... ed that a great proportion of the diseases
... are owing to the same general cause.—
... And in those cases where the diseases
... differ materially in their nature, the ef-
... fects produced are nearly the same, al-<

JAMES KENNEDY & SON,

30. KEEPLERS, KING STREET,
Have just received from LEE'S PA-
TENT MEDICINE Store, No. 46
Maine Lane, N. York.
A FRESH SUPPLY
Of the following genuine Medicines.
For the prevention and cure of Bi-
lious and Malignant Fevers, is
recommended.

Hahn's Anti-Bilious Pills.
THIS Medicine has been attended
with a degree of success highly grateful
to the inventor's feelings, in several parts
of the West Indies, and the Southern &
Middle States, particularly in N. York,
Philadelphia, Baltimore, Petersburg,
Richmond, Norfolk, Edenton, Wilming-
ton, Charleston, and Savannah. The
testimony of a number of persons at each
of the above places can be adduced, who
have reason to believe, that a timely use
of this salutary remedy has, under Provi-
dence, preserved their lives, when in
the most alarming circumstances.
Facts of this conclusive nature speak
more in favour of a medicine than col-
umns of pompous eulogy, founded on
mere assertion.
It is not, indeed, presumptuously pro-
posed as an infallible cure, but the inven-
tor has every possible reason that can re-
sult from extensive experience, for be-
lieving that a dose of these Pills, taken
once in every two weeks, during the
prevalence of our bilious fevers, will
prove an infallible preventative; and
further, that in the earlier stages of those
diseases, their use will very generally
succeed in restoring health, and frequen-
ly in cases esteemed desperate, and be-
yond the power of common remedies.
The operation of these pills is perfectly
mild, so as to be used with safety by per-
sons in every situation, and of every age.
They are excellently adapted to carry
off superfluous bile & prevent its mor-
bid secretions—to restore & amend the
appetite—to produce a free perspiration
and thereby prevent colds which is so of-
ten of fatal consequences. A dose never
fails to remove a cold if taken on its first
appearance—they are celebrated for re-
moving habitual costiveness—sickness at
the stomach and severe head-ache—and
ought to be taken by all persons on a
change of climate.
They have been found remarkably ef-
ficacious in preventing and curing dis-
eases attendant on long voyages, and
should be procured and carefully preserved
for use by every seaman.

**HAMILTON'S WORM DES-
TROYING LOZENGES.**
Which have cured an immense num-
ber of persons of both sexes, of every age,
and in every situation, of various dan-
gerous complaints arising from worms,
and from obstructions arising in their
stomach and bowels.
This medicine bears no analogy what-
ever to others of similar titles so com-
monly complained of, as operating with
violence; on the contrary, a particular
excellence of this remedy is its being
suited to every age and perfectly in-
nocent, and is also mild in its operation
and injures the most delicate pregnant
body or the tenderest infant of a week old,
should no worms exist in the body; but
will, without pain or griping, cleanse the
stomach and bowels, of whatever is foul
or offensive, and thereby prevent the pro-
duction of worms, and many fatal dis-
orders. The lozenges are particularly
efficacious in carrying off all gross hu-
mours and eruptions, feverish and bilious
complaints, and are the safest and mild-
est purgative that can be used on any
occasion.

DESCRIPTION OF WORMS.
And the symptoms by which they are
known:
Worms which infest the human body,
are chiefly of four kinds, viz.—The Ten-
tes, or large round worms; the Ascari-
des, or small man-worms; the Cucurbi-
tina, or short, flat, white worms; and
lastly, the Tremia, or tape-worm, so cal-
led from its resemblance to tape. This
is often many yards long, and is full of
septa. It is most hurtful and most diffi-
cult to remove.
Among the symptoms attending worms
are—disagreeable breath, especially in
the morning; bad and corrupted gums;
itching in the nose, and about the seat
of convulsions, epileptic fits, and sometimes
privation of speech; starting and grind-
ing of the teeth in sleep; irregular appe-
tite, sometimes loathing food, and some-
times voracious; purging, with slimy &
fetid stools; vomiting; large and hard
belly; pains and sickness at the sto-
mach; slow fever, with small and ir-
regular pulse; a dry cough; excessive
thirst; sometimes pale and unhealthy
countenance, and sometimes the face
swelled and flushed.
Persons afflicted with any of the above
symptoms, should have immediate re-
course to Hamilton's Worm Destroying
Lozenges, which have been constantly
attended with success, in all complaints
similar to those above described.
A dose of this medicine given occa-
sionally during the warm season, will ef-
fectually prevent the vomiting and
grinding of chint—a dreadful dis-
order, which annually destroys the hands
of so many of our citizens.
Remember to children and m. co.

NOTICE

from this place in a short time, request-
all those indebted to him by bond, note
or open account, to come forward & set-
tle them up to first of January 1817.
He will dispose of the Houses & Lot-

It is deemed unnecessary to give a more
minute description, as it is presumed
those wishing to purchase will view the
premises.
He will also sell a quarter acre Lot
and Dwelling House thereon, near the
common house.
The above property will be disposed
of on accommodating terms to those wish-
ing to purchase.

complaint. Particular and plain instruc-
tions are given for every part of the ne-
cessary treatment in such cases.

with eagerness; having a pleasing appear-
ance, and an agreeable taste.

**Hamilton's Essence and Extract of
Mustard.**
A safe and effectual remedy for acute
and chronic rheumatism, gout, asthma-
tic, palsy, lumbago, numbness, white
swellings, chilblains, sprains, bruises, pain
in the face and neck, &c.

The Genuine Persian Lotion.
So celebrated among the fashionable
throughout Europe, is an invaluable cos-
metic, perfectly innocent and safe, free
from corrosive and repellant minerals,
the basis of other lotions) and of un-
paralleled efficacy in removing blemishes
of the face and skin, freckles, pimples,
inflammatory redness, scurfs, fetters, ring-
worms, sunburns, prickly heat, &c. The
Persian Lotion operates mildly, without
impeding the natural insensible perspira-
tion, which is essential to health, yet its
effects are speedy and permanent, ren-
dering the skin delicately soft and smooth
and improving the complexion.

**The Restorative Powder for the
Teeth and Gums.**
This excellent preparation comforts
and strengthens the gums, preserves the
enamel from decay, and cleanses and
whitens the teeth, by absorbing all the
acrimonious slime and foulness, which
suffered to accumulate, never fails to in-
jure and finally ruin them.

Hamilton's Grand Restorative.
Is recommended as an invaluable me-
dicine for the speedy relief and perman-
ent cure of the various complaints result-
ing from dissipated pleasures, juvenile
indiscretions, residence in climates un-
favourable to the constitution, the im-
moderate use of tea, frequent intoxication
or any other destructive intemperance
the unskillful or excessive use of mer-
cury, the diseases peculiar to females at a
certain period of life, bad lyings in, &c.

HAMILTON'S ELIXIR.
Sovereign remedy for Colds, obstinate
Coughs, Asthma, sore throats, and
approaching Consumptions, and most
disorders of the breast and lungs.
